

Metal Automatic Swing Door Weatherproof 3-6S Gate Operation Time

Our Product Introduction

for more products please visit us on automaticbarriersgates.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: CBG
- Model Number: 18A-YB-3
- Minimum Order Quantity: 2 sets
- Price: \$490.00/sets 2-99 sets

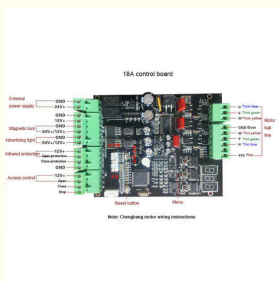

Product Specification

- Special Features: Waterproof / Weatherproof, Other
- Customized Support: OEM, ODM, Customized Logo
- Type: Other
- Voltage: DC24V
- Output Efficiency: 30W
- Current: 1.5A
- Insulation Class: F
- Gate Operation Time: 3-6S
- Operation Lifetime: >=5million Times
- Temperature Range: -30°C To 70°C
- Humidity: 85% Or Lower
- Highlight: **Weatherproof Automatic Swing Door,
3S Automatic Swing Door,
Metal Swing Door Weatherproof**

Product Description

Other Applications Made Easy With 3-6S Gate Operation Time Metal Automatic Swing Door

Product Description

Applications Made Easy with 3-6S Gate Operation Time Metal Automatic Swing Door

1. Advertisements can be implanted in the front and back of the light box. The advertising soft film adopts quick disassembly technology, which can quickly change the advertising content. The inner support part of the soft film is made of transparent acrylic plate, which is light, safe and not easy to be damaged.
2. Bright LED light strips are built on both sides of the light box, and the small angle astigmatism lamp column opposite shooting technology makes the light inside the light box uniform and the interface clear and bright.
3. The door body is equipped with a light sensing switch, which can be automatically turned on at night (the LED light goes out during the day), prolong the service life of the lamp tube, save energy and protect the environment.
