

Remote Control Automatic Car Parking Space Barrier DC24V With Max Length Of 2M

Our Product Introduction

for more products please visit us on automaticbarriersgates.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: CBG, CBG
- Model Number: 20B-V
- Price: \$115.00/sets 1-99 sets
- Supply Ability: 5000 Piece/Pieces per Month

Product Specification

- Max Length Of Boom: 2 Meters
- Voltage: DC24V
- Warranty: 2 Years
- Operation Lifetime: >=5 Million Times
- Max Motor Power: 60w
- Feature: Durable
- Altitude: 1000M Or Lower
- Port: Shenzhen
- Arm: Round Arm, Folding Arm
- Highlight: Remote Control Parking Space Barrier, DC24V Parking Space Barrier, 2M Length Parking Space Barrier

Product Description

DC24V Remote Control Automatic Car Parking Space Barrier With Max Length Of 2 Meters

Products Description

Feature

- 1) Equipped with DC24V brushless DC motor
- 2) Rated power 60W
- 3) Multi speed one-way, takeoff and landing stop, return when encountering obstacles, counting, delayed rod lowering,
- 4) RS485 output and other delayed automatic door closing, combined with external protection devices such as ground sensing and infrared
- 5) Equipped with multiple interfaces, it can connect to parking management systems such as infrared, radar, 485 interfaces, etc.
- 6) The maximum pole length is 2 meters, and the takeoff and landing time of the pole is adjustable from 2 to 6 seconds
- 7) During power outage, the brake lever can be manually operated to lift and lower
- 8) Ultra long remote control distance, open and undisturbed environment greater than 30 meters
- 9) Infinite position design,easy debugging

Voltage: DC24V

Gate Operation Time: 3-6S

Operation Lifetime: >=5 million times

Current: 2A

Insulation Class: F

Temperature Range: -30°C to +60°C(temperatures below -30°C require a heating element)

Output Power: 40W

Usage: Parking place

Company Profile

Shenzhen Chengbang Electromechanical Industry Limited was established in **2010**, located in Guangdong China. The factory with **5,000 square meter areas** and more than **100 experienced employees** which **supply ability is 5,000pcs per month**. We are the professional **manufacturer** for vehicle entrance management system and equipment (Swinging door operating mechanism, Brush-less gate motor, DC brush-less single unit operating mechanism, Commercial gate operating mechanism and so on). We have strong scientific technology, first-class produced lines, advanced gear testing centers and high-precision advanced equipment, imported CNC gears which are ahead of our peers in terms of quality. In pursuit of high quality products, excellent reputation, continuous innovation and development and perfect after-care service, we d launched a series of diversified products.

FAQ

Q: Are you wholesaler or trade company?

A: We're manufacturer of boom barrier motor and our factory is in Guangdong, China.

Q: How long is the delivery time?

A: 24 hours delivery for stock after full payment, for the bulk goods, need about 5-20 days.

Q: How about your warranty?

A: The movement's warranty is 2 years.

Q: Do you provide sample?

A: Yes, we can offer the sample for charge and freight collect.

If need more details, please don't hesitate to contact with us :-)
