

## Automatic Folding Boom Barriers 140W For Parking Control

Our Product Introduction

for more products please visit us on [automaticbarriersgates.com](http://automaticbarriersgates.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: CBG
- Model Number: 18B-ZY-12
- Minimum Order Quantity: 2 pieces
- Price: \$380.00/pieces 2-99 pieces

### Product Specification

- Working Temperature: -30-60°C
- Power Supply: 140W
- Usage: Outdoor
- Boom Barrier Length: 1.5-6M
- Work Voltage: DC-24V
- Feature: Waterproof
- Operating Speed: 0.3-6s(Depend On Arm Length)
- Insulation Level: F
- Operating Life: >5 Million
- Warranty: 2 Years
- Highlight: **Automatic Folding Boom Barriers, Boom Barriers 140W, Parking Control Boom Barriers**

## Product Description

### Convenient 140W Power Supply Automatic Folding Boom Barriers For Parking Control

## Product Description

### Overview

The barrier gate is driven by a high-performance motor and consumes 100W of electricity. This ensures that the isolation wall operates smoothly, efficiently, and opens and closes in a timely manner. Its voltage is DC24V 50/60HZ, making it multifunctional and compatible with multiple power sources.

In addition to its mobility mechanism, the barrier is also equipped with a control panel that allows for easy customization of its settings. This panel allows users to adjust the opening/closing time according to their needs, ranging from 3S to 6S. This feature enables users to effectively manage traffic flow, reduce waiting time, and enhance overall security.

The durability of barrier doors is further enhanced by their ability to withstand high humidity. Maximum humidity  $\leq 90\%$ , able to withstand harsh weather conditions, ensuring functionality even in extreme temperatures. This characteristic is crucial for outdoor installations as exposure to various elements is inevitable.

Automatic raised barriers are a reliable and efficient solution for managing entry and exit points in various commercial and public places. Its mobility mechanism, automatic operation, and customizable settings make it a valuable investment for any organization looking to improve access control.

## Company Profile

### Product description

- 1.-The traffic barrier is widely used for the facilities of parking, traffic or toll system.
- 2.-Arms can be chosen from 1.5 meters to 6 meters.
- 3.-This type of barrier could match with direct boom( pole), fold boom Or fence boom..
- 4.When power off, we can lift up the boom arm by hand directly
- 5.-All the process is soft without any noise and shaking.
- 6.-Housing color: yellow,red ,blue,black,white (optional)
- 8.-Boom arm direction can be chosen leftward to rightward.
- 8.-Auto warming up,suitable for cold environment.

### Application:

Office Buildings.

Shopping and mall Centers.

Vehicle Parks.

Distribution and Warehouse Facilities.

Commercial and Industrial Facilities.

Government Buildings.

Stations

### Parameters

## Technical Parameters

Size	330*270*1020mm
Power supply	DC 24V
Open/close speed	0.3s to 6s
Working temperature	-30~60℃
Rated power	140w
Motor rated speed	1500r/min
Humidity	<=85%
Remote control distance	30 m
Max boom length	6m
External power	220V 50/60HZ

## Product picture

1. Straight rod

2. Telescopic rod

3. Folding rod

4. Fence

## Automatic Boom Barrier

 Quiet and steady on opening and closing.

Durable, Cute Appearance

## Parking Barrier Gate

Easy Operation, Quiet, Steady

interior structure:

Big torque motor  
**Collision resistant motor**  
**Toll station motor**

**MCBF more 5 million times**

**Fast response**

Packing & Delivery

### The packaging of 18B unit motor

1.Put polyurethane foam inside

2.Cover with plastic and put the motor into the carton

3.Seal the carton with tape

To better ensure the safety of your goods, professional, environmentally friendly, convenient and efficient packaging services will be provided.

**Boom barrier projects**

Exhibition

Certification

## FAQ

FAQ1. who are we? We are based in Guangdong, China, start from 2010, sell to Africa (2.00%). There are total about 101-200 people in our office. 2. how can we guarantee quality? Always a pre-production sample before mass production; Always final inspection before shipment; 3. what can you buy from us? boom barrier, DC motor, gate road motor, car park barrier 4. why should you buy from us not from other suppliers? We're the manufacturer of boom barrier mechanism in China more than 10 years. The current is more than 100 staffs and 3 factories. We have professional equipment, assembly line production and quality assurance. We can customize according to customer needs. 5. what services can we provide? Accepted Delivery Terms: FOB, EXW Accepted Payment Currency: USD, EUR; Accepted Payment Type: T/T, PayPal, Cash; 6. Do you supply the sample? Yes, we provide the sample, but you have to pay the sample cost and courier cost.
