GATE CONTROL

☒ Tough Build ☒ Water-Proof ☒ Fast Speed

Specification

item	value
Communication Interface	RS485
Place of Origin	China
Barrier open/close time	1.5-6s
Access control type	RFID
Turnstile function	Swing Barrier
barrier motor	DC-24V
Protection Level	IP44
Operation Direction	Single
Brand Name	CBG
Material	Aluminum Alloy

Selling Point

1. Advanced Protection Grade: The CBG 90 fence gate barrier access control boom barrier is a robust and durable device, boasting an impressive IP44 protection grade, designed to withstand outdoor environmental conditions.
2. Enhanced Communication Interface: With an in-built RS485 communication interface, this boom barrier offers seamless integration and communication with other access control systems, ensuring efficient and reliable system performance.
3. Customizable Color Options: Available in black and orange, the CBG 90 telescopic gate barrier comes in two different color options, allowing users to choose a design that matches their surroundings or branding.
4. Long Operating Life: The powerful DC-24V work voltage and efficient 1.5-6s operating speed ensure smooth and reliable performance, supported by a long operating life of over 5 million cycles.
5. Robust Operating Environment: This fence gate barrier is designed to work in a wide temperature range of -30 to 60 ,

making it suitable for various outdoor applications, from commercial to residential settings.

Company Introduction

Established in 2004, Shenzhen Chengbang Electromechanical Industry Limited is a renowned manufacturer specializing in the production of high-quality, customized non-standard reducers, special motors, and mechanical components. Our products cater to a wide range of industries including defense security

FAQ

1. who are we?

We are based in Guangdong, China, start from 2010, sell to Africa (2.00%). There are total about 101-200 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;

Always final inspection before shipment;

3. what can you buy from us?

boom barrier, DC motor, gate road motor, car park barrier, Automation parking gate

4. why should you buy from us not from other suppliers?

We're the manufacturer of boom barrier mechanism in China more than 10 years. The current is more than 100 staffs and 3 factories. We have professional equipment, assembly line production and quality assurance.

We can customize according to customer needs.

5. what services can we provide?

Accepted Delivery Terms: FOB, EXW;

Accepted Payment Currency: USD, EUR;

Accepted Payment Type: T/T, PayPal, Cash;

Language Spoken: English, Chinese
