#### Specification

item	value
Communication Interface	RFID
Place of Origin	China
Barrier open/close time	0.6-6S
Access control type	RFID
Turnstile function	Automatic
barrier motor	DC24V
Protection Level	IP55
Operation Direction	Single
Brand Name	CBG

Material	Aluminum
----------	----------

### Selling Point

1. Robust Performance: The CBG DC Brushless Motor 24V Barrier Gate Automatic Max 6m Straight Arm Boom Barrier Gate is designed for reliable operation and durability.
2. High Efficiency: With a voltage of DC24V, this barrier gate features an output power of 140W, offering an efficient and energy-saving solution for gate automation.
3. Weatherproof and Waterproof: Built to withstand varying weather conditions, this barrier gate is ideal for outdoor use, ensuring optimal performance in different environments.
4. Long-lasting: With a warranty of 2 years, operating lifetime of over 5 million times, and insulation class of F, the CBG Barrier Gate is designed for extended use and peace of mind.
5. Flexible Color Selection: Customize the look of your barrier gate with the option to choose a color that fits your aesthetic preferences. The versatile design adds a touch of elegance to any setting.

### Company Introduction

Shenzhen Chengbang Electromechanical Industry Limited is a specialized manufacturer, dedicated to producing high-quality non-standard reducers and motors for various applications, including road gate systems. Our expertise encompasses gear reduction machines, aluminum shell motors, and gate motor systems. With over a decade of experience, we pride ourselves as the leading manufacturer of boom barrier mechanisms in China. We currently boast a workforce of over 100 employees and operates across three manufacturing facilities.

Boasting our state-of-the-art production facilities, we are well-equipped to cater to a wide range of customer needs and preferences. Our team of expert engineers and technicians work tirelessly to provide innovative solutions that exceed industry standards. At Shenzhen Chengbang, we are committed to ensuring customer satisfaction through our customizable products and exceptional customer service.

### FAQ

#### 1. who are we?

We are based in Guangdong, China, start from 2010, sell to Africa (2.00%). There are total about 101-200 people in our office.

#### 2. how can we guarantee quality?
