

Outdoor Parking Activities Intelligent Auto Barrier Gate with Service and RS485 Communication Mode in IP55 Protection Class

Our Product Introduction

for more products please visit us on automaticbarriersgates.com

Basic Information

- Brand Name: CBG
- Certification: CE
- Model Number: 21B

Product Specification

- Work Voltage: DC-24V
- Material: Steel
- Operating Speed: 0.8-6s(Depend On Arm Length)
- Motor Materia: Die-casting Aluminum Alloy
- Spring No: Multi-spring Balance
- Mode Of Communication: RS485
- Standard Package: Carton Package
- Boom Useful Length: ≤ 6m
- Housing Color: Blue, Yellow, Orange
- Warranty: 1 Year
- Protection Class: IP55
- Highlight: **IP55 Protection Class Auto Barrier Gate,
RS485 Communication Mode Auto Barrier Gate ,
Outdoor Parking Activities Auto Barrier Gate**

Product Description

Product Description

Specification

item	value
Communication Interface	tcp/ip
Place of Origin	China
Barrier open/close time	0.8-6s
Access control type	RFID card
Turnstile function	Anti-collision
barrier motor	Brushless motor
Protection Level	IP54
Operation Direction	1-way
Brand Name	CBG
Material	Galvanized steel sheet

Selling Point

- 1." Automatic Barrier Gate Opener" offers a powerful, IP54-rated, Brushless Motor Barrier, designed for secure car parking and traffic control in parking lots and garages.
- 2.Equipped with advanced RS485 communication interface and RFID card access control, the barrier gate offers 1-6 second entrance and exit speed, ideal for large-scale parking facilities.
- 3.The 220V/DC12~24V compatible, near-silent DC Brushless Motor ensures efficient and quiet operation, with its 2-way operating direction designed for long-term reliable usage.
- 4.1 Year Guarantee and friendly Orange or Grey color options, trusting you with absolute confidence and bringing aesthetics to your environment.
- 5.Top-selling 24V DC Brushless Motor and Smart Parking Barrier Gate options, for a seamlessly integrated barrier gate system, delivering a smooth, efficient and innovative car parking experience.

Company Introduction

At Shenzhen Chengbang Electromechanical Industry Limited, we are a specialized manufacturer that produces tailored non-standard reducers and motors catered for road gate applications. Our offerings encompass a comprehensive array, including gear reduction machinery, devices with aluminum shell motors, as well as high-performance gate motor systems.

Established with over a decade of experience, we have earned the reputation as the leading manufacturer of boom barrier mechanisms in China. Our dedicated workforce of over 100 employees and three productive manufacturing facilities embody our commitment to quality and customer satisfaction.

We pride ourselves on our ability to customize products based on the unique requirements of our clients, ensuring that our solutions are tailored to their individual needs. Trust us to transform your vision into a reality, and experience the future of innovative gate automation technology with Shenzhen Chengbang Electromechanical Industry Limited.

FAQ

1. who are we?

We are based in Guangdong, China, start from 2010, sell to Africa (2.00%). There are total about 101-200 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;
Always final inspection before shipment;

3. what can you buy from us?

boom barrier, DC motor, gate road motor, car park barrier, Automation parking gate

4. why should you buy from us not from other suppliers?

We're the manufacturer of boom barrier mechanism in China more than 10 years. The current is more than 100 staffs and 3 factories. We have professional equipment, assembly line production and quality assurance.
We can customize according to customer needs.

5. what services can we provide?

Accepted Delivery Terms: FOB, EXW;
Accepted Payment Currency: USD, EUR;
Accepted Payment Type: T/T, PayPal, Cash;
Language Spoken: English, Chinese
