## Product Description

### Product Description

---

---

---

### Specification

item	value
Communication Interface	RFID
Place of Origin	China
Barrier open/close time	1.5Sec-6Sec(Adjustable)
Access control type	Remote control
Turnstile function	One-way
barrier motor	Brushless Motor
Protection Level	IP55
Operation Direction	Can be exchanged
Brand Name	CBG
Material	Metal

### Selling Point

- 1.24V DC Brushless Motor Barrier Gate System: The gate system features a brushless motor for high efficiency and durability. It provides a versatile and sturdy solution for both indoor and outdoor applications.
- 2.Customizable Speed: The barrier gate offers adjustable speed settings within a range of 1.5-6 seconds, ensuring flexibility and adaptability to different environments and user preferences.
- 3.Advanced Security Features: The gate is equipped with vehicle fencing features, allowing it to intelligently detect and respond to and pedestrians, ensuring a safe and secure environment.
- 4.Remote Control Capability: A scalable, state-of-the-art remote control system with operational range of up to 30 meters in open and sunny conditions simplifies the management of your barrier gate, providing ease of use and reliability.
- 5.CBG Brand Quality Assurance: As a reputable brand, CBG provides exceptional quality and reliable products, backed by industry-leading expertise and a commitment to customer satisfaction.

### Company Introduction

Shenzhen Chengbang Electromechanical Industry Limited, an established manufacturer with over 10 years of experience, specializes in the production of non-standard reducers and motors, particularly for road gate applications. As a leading innovator in the industry, we provide a wide range of products such as gear reduction machines, aluminum shell motors, and gate motors.

Our company is headquartered in China, and currently employs over 100 staff members across three factories. Our commitment to quality and efficiency is evident through our extensive inventory and breadth of expertise. We pride ourselves on our ability to customize solutions according to the unique needs of our clients, making us the go-to destination for tailored solutions in the electrical and mechanical industries.

### FAQ

#### 1. who are we?

We are based in Guangdong, China, start from 2010, sell to Africa (2.00%). There are total about 101-200 people in our office.

#### 2. how can we guarantee quality?

Always a pre-production sample before mass production;  
Always final inspection before shipment;

#### 3. what can you buy from us?

boom barrier, DC motor, gate road motor, car park barrier, Automation parking gate

#### 4. why should you buy from us not from other suppliers?

We're the manufacturer of boom barrier mechanism in China more than 10 years. The current is more than 100 staffs and 3 factories. We have professional equipment, assembly line production and quality assurance.  
We can customize according to customer needs.

#### 5. what services can we provide?

Accepted Delivery Terms: FOB, EXW;  
Accepted Payment Currency: USD, EUR;  
Accepted Payment Type: T/T, PayPal, Cash;  
Language Spoken: English, Chinese
