

VIP Parking Barrier Gate with RFID Access Control - Folded Arm Design

Our Product Introduction

for more products please visit us on automaticbarriersgates.com

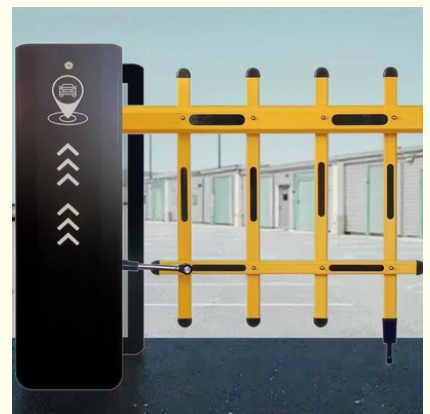

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: CBG
- Model Number: 21B
- Minimum Order Quantity: 2 pieces
- Price: \$288/pieces 2-99 pieces

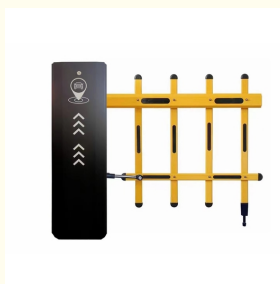

Product Specification

- Communication Interface: RFID
- Barrier Open/close Time: 0.8-6s
- Access Control Type: RFID
- Turnstile Function: Automatic
- Barrier Motor: Brushless Motor
- Protection Level: IP65
- Material: Aluminium
- Operation Direction: Automatic
- Highlight: **RFID parking barrier gate, folded arm parking gate, VIP access control gate**

Product Description

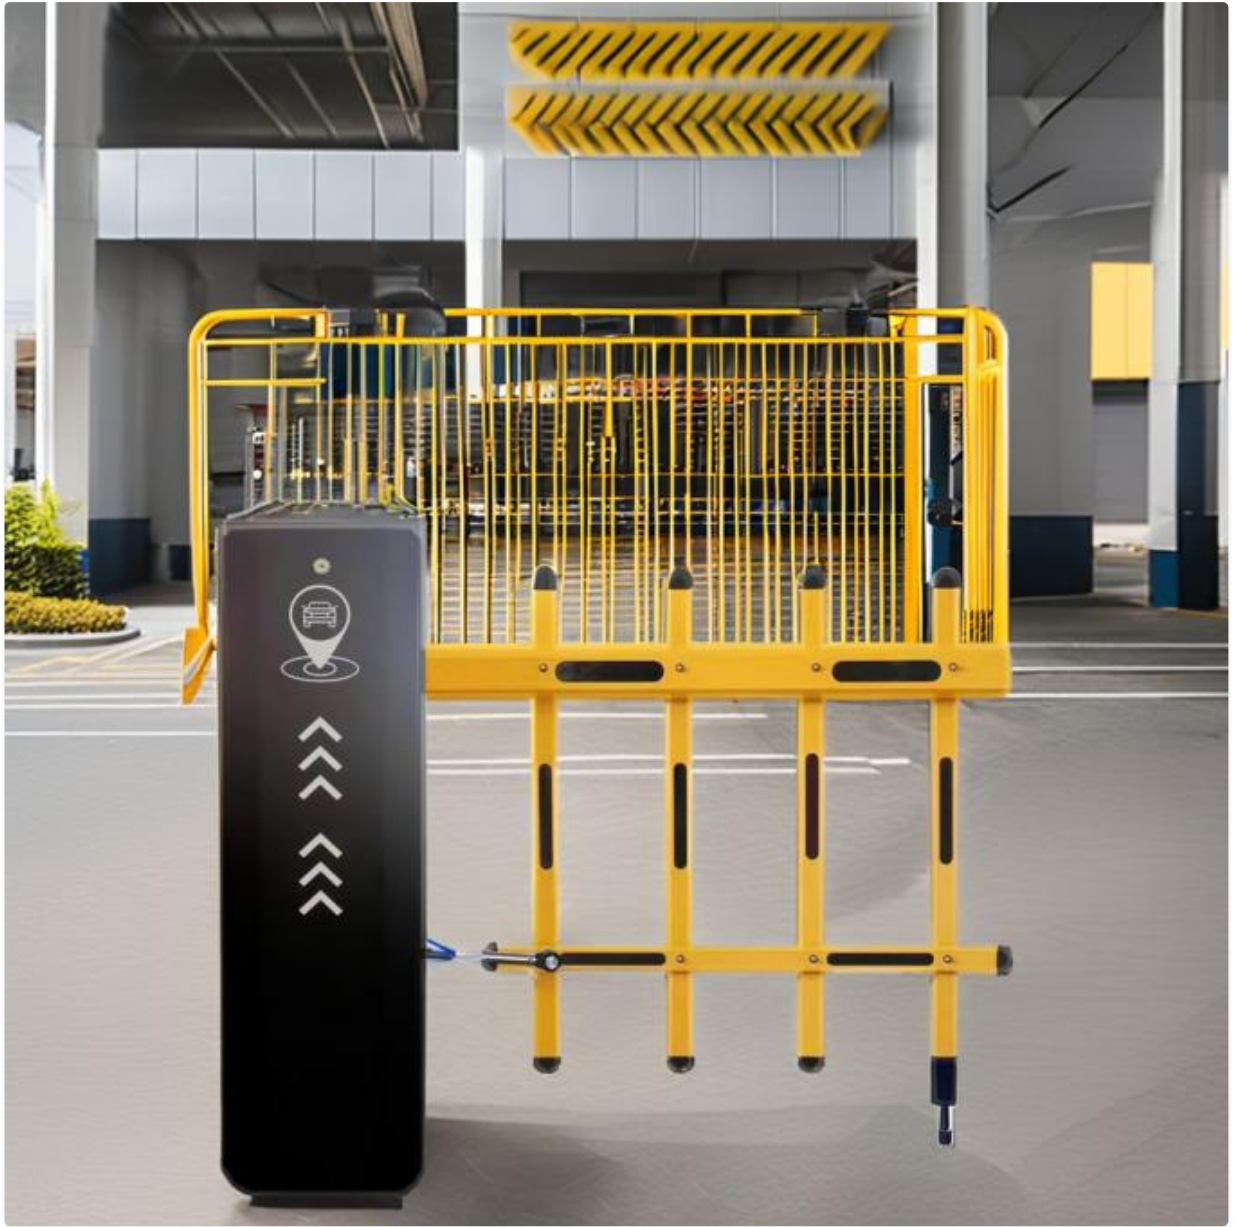

VIP Parking Barrier Gate with RFID Access Control - Folded Arm Design

Product Specifications

| Attribute | Value |
|-------------------------|-----------------|
| Communication Interface | RFID |
| Barrier open/close time | 0.8-6s |
| Access control type | RFID |
| Turnstile function | Automatic |
| Barrier motor | Brushless motor |
| Protection Level | IP65 |
| Material | Aluminium |
| Operation Direction | Automatic |

Product Overview

Durable Construction: Built to withstand daily wear and tear with enhanced material quality and rigorous testing for reliable long-term operation.

Autonomous & Foldable Design: Efficient operation speed (0.8-6 seconds) with space-saving folding-arm design. Operates in temperatures from -30 to +60°C.

Compact Size: 2-meter maximum arm length suitable for small/medium parking lots with easy installation and maintenance.

Enhanced Security: Strong deterrent against unauthorized access with customizable options like access control systems.

Warranty & Support: Comes with 2-year guarantee and worldwide after-sales support with comprehensive installation guidance.

Company Information

Shenzhen Chengbang Electromechanical Industry Limited is a professional manufacturer specializing in non-standard reducers and motors. With over 10 years of experience, we produce gate motors, gear reduction machines, and aluminum shell motors for various applications. As one of China's leading boom barrier mechanism manufacturers, we operate with more than 100 staff across 3 state-of-the-art factories, offering customized solutions to meet diverse customer needs.

Frequently Asked Questions

Who are we?

We are based in Guangdong, China, operating since 2010, with exports to Africa (2.00%). Our company has 101-200 employees.

How can we guarantee quality?

We always provide pre-production samples before mass production and conduct final inspections before shipment.

What can you buy from us?

Boom barriers, DC motors, gate road motors, car park barriers, and automation parking gates.

Why choose us over other suppliers?

We're China's leading boom barrier mechanism manufacturer with over 10 years' experience, 100+ staff, and 3 factories. We offer professional equipment, assembly line production, quality assurance, and custom solutions.

What services do we provide?

Delivery Terms: FOB, EXW | Payment: USD, EUR | Payment Methods: T/T, PayPal, Cash | Languages: English, Chinese
