

Metal Boom Barrier Parking Gate for Access Control Systems

Our Product Introduction

for more products please visit us on automaticbarriersgates.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: CBG
- Model Number: 21B
- Minimum Order Quantity: 2 units
- Price: \$360/units 2-99 units

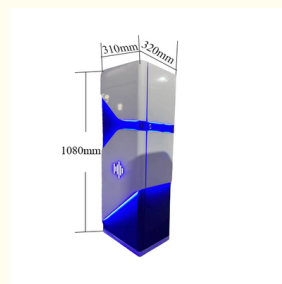

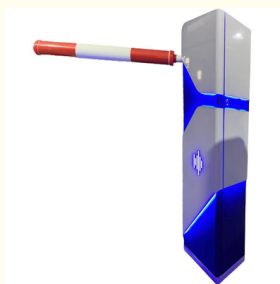

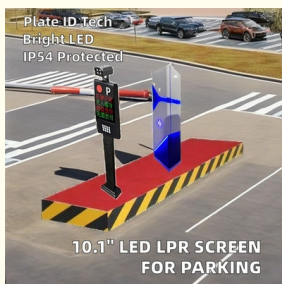

Product Specification

- Material: Metal
- Type: License Plate Recognition Machine
- Special Features: Other
- Storage: 1
- Highlight: Metal boom barrier gate,
Parking access control gate,
Boom barrier for parking systems

Product Description

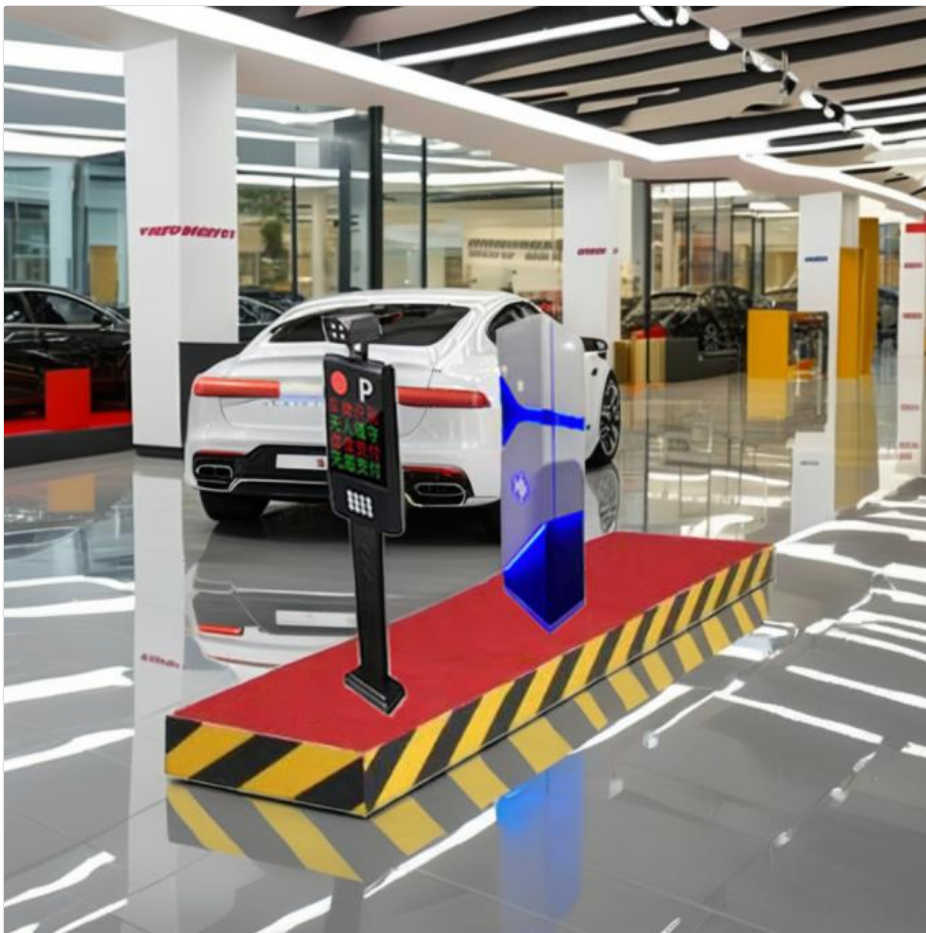

Metal Boom Barrier Parking Gate for Access Control Systems

Product Attributes

Attribute	Value
Material	Metal
Type	License plate recognition machine
Special Features	Other
Storage	1

Product Description

Specifications

Special Features	Other
Material	Metal
Place of Origin	China
Brand Name	CBG
Type	Parking barrier gate
Storage	1

Key Features

High-Definition License Plate Recognition: All-in-One Machine designed for reliable performance in outdoor environments.

Outdoor Compatibility: Features high-brightness LED screens, suitable for various weather conditions including strong sunlight or heavy precipitation.

Robust Operating Conditions: Built to withstand extreme temperatures (-20°C to +60°C) and high humidity (up to 95% without condensation).

Efficient Communication: Supports both TCP/IP and RS485 communication methods for seamless system integration.

Durable Construction: Made of SPCC carbon steel with sheet metal mold forming and agate gray finish. IP54 enclosure protection provides resistance to water and dust.

Company Profile

Shenzhen Chengbang Electromechanical Industry Limited Company specializes in crafting superior quality non-standard reducers and motors for various applications, particularly in road gate automation and gear reduction machinery. As the trailblazing manufacturer of boom barrier mechanisms in China since 2012, we maintain three state-of-the-art production facilities with over 100 dedicated professionals. Our team is equipped to meet diverse requirements while maintaining the highest standards of quality and innovation.

Frequently Asked Questions

Who are we?

We are based in Guangdong, China, operating since 2010, with exports to Africa (2.00%). Our company has 101-200 employees.

How can we guarantee quality?

We always provide a pre-production sample before mass production and conduct final inspection before shipment.
