

DC24V Barrier Gate Motor 120W High Power for Road Gates

Our Product Introduction

for more products please visit us on automaticbarriersgates.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: CBG
- Minimum Order Quantity: 2
- Price: \$169-189

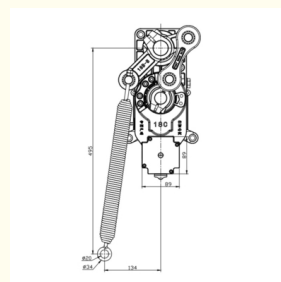

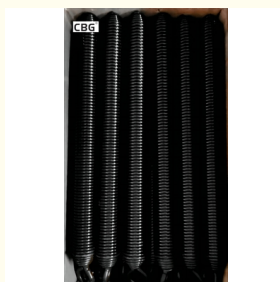

Product Specification

- Voltage: DC 24V
- Output Efficiency: 120W
- Current: 6A
- Insulation Class: F
- Gate Operation Time: 0.3-5S
- Operation Lifetime: ≥ 5 Million Times
- Temperature Range: -40 To +60
- Humidity: 85% Or Lower
- Altitude: 1000M Or Lower
- Net Weight: 16kg
- Package Size: 38.5X20.8X25CM
- Package Type: Carton Or Wooden Case
- Power: High Power
- Motor Type: DC24V Road Gate Motor
- Gate Type: Barrier Gate

Product Description

High Power DC24V Barrier Gate Mechanism

Product Specifications

Attribute	Value
Voltage	DC 24V
Output Efficiency	120W
Current	6A
Insulation Class	F
Gate Operation Time	0.3-5S
Operation Lifetime	≥5 million times
Temperature Range	-40 to +60
Humidity	85% or lower
Altitude	1000M or lower

Product Overview

This high-performance barrier gate mechanism is designed for reliable operation in various access control applications including highways, expressways, gated communities, and commercial parking lots with vehicle-plate reading systems.

Packaging Information

Single net weight: 16kg

Package dimensions: 38.5×20.8×25CM

Package Type: Carton or Wooden case

The packaging of 18B unit motor

1.Put polyurethane foam inside

2.Cover with plastic and put the motor into the carton

3.Seal the carton with tape

Old and New Product's Difference

Manufacturer Profile

Shenzhen Chengbang Electromechanical Industry Limited specializes in manufacturing non-standard reducers and motors for road gates, gear reduction machines, aluminum shell motors, and gate motors. With over 10 years of experience in boom barrier mechanism production, we operate three factories with more than 100 staff members and offer customized solutions to meet specific customer requirements.

Frequently Asked Questions

1. Who are we?

Based in Guangdong, China since 2010, we export to Africa and maintain a workforce of 101-200 employees.

2. How do we guarantee quality?

We conduct pre-production samples and final inspections before shipment to ensure product quality.

3. What products do we offer?

Our product range includes boom barriers, DC motors, gate road motors, and car park barriers.

4. Why choose us?

With over 10 years of manufacturing experience, three factories, and professional equipment, we provide quality-assured products with customization options.

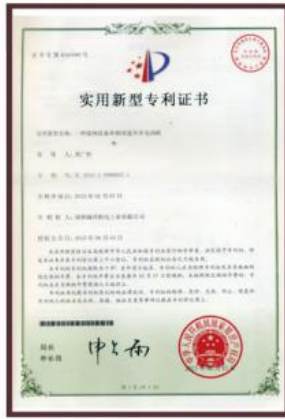

5. What services do we provide?

Delivery Terms: FOB, EXW

Payment Options: T/T, PayPal, Cash (USD, EUR)

Languages: English, Chinese
